

Just how much do you really know about your Merchant Account?

(credit and debit card processing)

And how much are you losing?

Working with the right merchant processing company can be one of the most important business relationships you have. How do you know if you've chosen the right processor?

- ✓ Has your current merchant processor taught you how to read your monthly statement?
- ✓ Are the rates you pay, the best rates you can get?
- ✓ Do you understand all the monthly fees that you're being charged?
- ✓ When was the last time you talked with or met with your processing agent?
- ✓ Do you have a comprehensive glossary of terms that helps you understand all of the various terms used in merchant account processing?

PROACTIVE BUSINESS SERVICES will help you get a positive answer to these, and any other questions you have about your Merchant Processing Account.
